Worship Assistants' Schedules for August, 2010

During the months of July and August, we have usually placed sign-up sheets on the bulletin board for people to fill-in as Worship Assistants as needed. This year there are calendars for those months. If you are unavailable on your assigned dates, please cross out your name on the posted schedules, and if possible, find a substitute.

Thank you for your continued service.

August	1	8	15	22	29
